OUR FOCUS on disaster recovery is a reflection of our focus on people. We are a local company with national resources which allows us to rebuild the communities where we live and work. We use our skills and resources to rehabilitate homes, businesses, and community buildings that have been devastated by disaster. As a company, we believe it is important to support and provide recovery for our people and our communities in crisis.

COMMITTED TO OUR core values of integrity and quality. We forge every relationship with trust, respect, and communication – as well as an unwavering dedication to help our clients rebuild their lives after suffering a disaster. CDS offers Restoration with you in mind.

We provide the best service in the industry.

What our clients are saying about us!

"I highly recommend CDS. Reliable, beyond helpful, and very responsive. They care about their customers and it shows!"

— Brandie A.

"CDS maintained exemplary communication every step of the way. They paid close attention to detail and followed up with our concerns. They made sure that we were satisfied. I highly recommend their services."

— Cindy K.

"Exceptional talent, experience, and generosity. You cannot go wrong by employing CDS."

— Sharron B.

"Great bunch of guys to work with. They were there from the first night of the fire and were so helpful throughout the whole overwhelming process. Can't thank them enough."

— Lorrie D.

HERE TO HELP EVERY STEP OF THE WAY

Complete Disaster Services provides fire and water damage restoration services to communities all across Central Pennsylvania. We have seen many times over how disaster can affect families and businesses. We strive to remove as much of the burden from you as possible. From the moment we get the call, we start our cleanup process in order to save your valuables and prevent further damage. We also work with insurance companies and brokers to further expedite the process. We serve with compassion and guarantee restoration with you in mind.

Emergency Response

When disaster strikes, it can be life-changing. CDS is here to help you build back the pieces. We offer a wide range of restoration and emergency services for both residential and commercial properties damaged by fire, water, or weather-related events. No matter the time, our 24-hour team is prepared to mobilize quickly and provide rapid response to an emergency within minutes of receiving a call.

Industry Experts

Our team is made up of highly-skilled tradesman and craftsman who bring their collective expertise in both interior and exterior design and construction to the project.

Timely Completion

With our primary focus on rapid emergency response and execution, CDS is already a step ahead in ensuring faster turnaround times over our competitors. Our number one goal is getting your property back to pre-loss condition as quickly as possible.

Proven Results

The team at CDS has the knowledge, resources, and long-standing industry relationships to get the job done on time and within budget. With over 40 years combined experience, we guarantee superior craftsmanship and client-first ethos.

FIRE, SMOKE & SOOT DAMAGE

From the moment the smoke clears, our rapid response team is ready with a plan of action to meet your needs. We handle everything from securing damaged properties to restoring properties and possessions to their pre-loss condition. CDS also provides professional cleaning services, including carpet, upholstery, and air duct cleaning. Any size job, big or small, CDS has you covered.

WATER DAMAGE & MOLD REMEDIATION

Our industry certified team is well trained to handle mold remediation, water extraction, structural drying, cleanup, and complete restoration.

EXTERIOR & INTERIOR RESTORATION

Whether it's our rapid response team working to safeguard your property after a fire, or working with you to restore, rebuild and/or redesign all aspects of your property, our experience will show.

PLUMBING & ELECTRICAL

We work with skilled tradesman who repair, install, and determine necessary upgrades to plumbing and/or electrical systems damaged as a result of a disaster.

PLANNING & COMMUNICATION

CDS works with you throughout all phases of the planning and design processes to ensure your vision is met. Cleaning and restoration of your property, including personal possessions, is done with care and to your satisfaction.
